About us.

Lizzy Lloyd Creative Designs is a freelance agency focused on website, graphics, and marketing. We are based in London and work with organisations across the United Kingdom.

The agency is run by Lizzy, an experienced marketing professional with qualifications from the Chartered Institute of Marketing and over ten years working in creative roles primarily in education and private enterprises before starting Lizzy Lloyd Creative Designs in 2019.

Lizzy describes herself as a creative genius who takes ideas to reality, with the aim to bring businesses closer to their audience. Lizzy enjoys working with various enterprises, particularly having the freedom to let her creative genius loose on projects.

Those who work with Lizzy Lloyd are guaranteed added value to their creative projects.

What we do.

Website Design

More than a beautiful website. We build long-lasting, professional, and fully responsive websites built with user experience in mind.

Brand Identity

Your business story is not complete without a strong brand and logo. Let us make your business story unique and memorable.

Graphic Design

Deliver your message using exciting graphics with every thought given to layout, colour and content.

Website SEO

Improve your website ranking in search engines. Your customers are searching, so we help them to find your business online.

Digital Marketing

From newsletters to blogs and online advertising, take your business further with the latest digital marketing campaigns.

Social Media

Social media is not going anywhere anytime soon. Be there or another business will engage with your potential customers.

Brand Design & Logos.

A brand is a great way to connect with your audience using a range of imagery and language to develop a personality for your business.

Lizzy Lloyd Creative Designs is experienced working with new or existing businesses to develop or refresh brands.

We aim to develop brands that bring businesses closer to their audience.
